Roll Out the FHC Toolkit to Overcome Barriers to Missing Middle Housing Development (80-120% AMI)*

- Designed with industry professionals from the public, private, and nonprofit sectors
- Solutions for local housing challenges
- Provides immediate action on new missing middle housing development
- Establishes new partnerships
- Identifies successful middle-housing designs and policies

*Area median income (AMI) is an important benchmark when determining housing eligibility for affordable housing properties.

Custom sponsorships also available.
