The FHC Toolkit helps Overcome Barriers to Missing Middle Housing Development (80%-120% AMI)*

- Designed with industry professionals from the public, private, and nonprofit sectors
- Solutions for local housing challenges
- Provides immediate action on new missing middle housing development
- Establishes new partnerships
- This four-part toolkit includes best practices for:
 - Communication Engagement for Local Governments
 - Policy and Land Use Regulations
 - Private Industry Construction & Development
 - Financing Tools and Options

*Area Median Income (AMI) is an important benchmark when determining housing eligibility for affordable housing properties.
