Letter from President & CEO, Heidi Williams

Dear Mayors and Partners:

Things are heating up for the next legislative session! We have been working closely with our partners CML and DRCOG (among many others) and have met with the governor's team to begin discussions on potential bills related to land use and housing. We will keep you updated as bills are developed. Many of you attended our legislative committee meeting on Wednesday. Thank you for coming to our new offices! The items discussed were as follows:

- Transit Oriented Developments and Communities related to density
- Accessory Dwelling Units
- Proposition 123
- Needs Assessments
- RTD
- Construction Litigation Reform

We will send out the next legislative committee meeting date to the mayors soon. Finally, to all our mayors that are running for reelection, we want to wish you all the best of luck! To all our mayors, including outgoing mayors, we hope that we will see you at the Annual Regional Reception on December 14th 5:30-8:30 at the Grant Humphries Mansion!

Thanks for your membership, ongoing engagement and most of all, your care and concern for our great Metropolitan region!

Warmly,

Heidi

P.S.

We have a new address! For the first time in a long time, Civic Results/Metro Mayors Caucus has an office space. We are located at 110 16th Street Mall (16th Street Mall and Broadway) and are settling in nicely! We hope you will set up a time to come visit!

MMC Legislative Committee

Ahead of the 2024 legislative session, Mayors of the Caucus have formed a committee to address key issues and align with our policy priorities.

The first meeting of the Legislative Committee (LC) took place on 10/16/23. There was discussion around potential

bill material coming up including land use and zoning, TOD, transit funding, Prop 123, and accessing other federal funding pathways.

We are expecting to hear from one or two key legislators at the next meeting to provide feedback and better align our approach. This meeting is not confirmed yet, but expected to be in early November.

Chair: Guyleen Castriotta
