ABOUT THE EVENT

The [Building Bridges: Construction & Contractors roundtable](#) brings together local government officials, builders, and developers to align around shared priorities for addressing housing affordability, workforce needs, and community growth.

Co-hosted by Civic Results | Metro Mayors Caucus, Rocky Mountain Partnership Cradle to Career™ and the Home Builders Association of Metro Denver, this convening is designed to foster collaboration and shared understanding between policymakers and the homebuilding industry.

EVENT DETAILS

- **Date:** November 12, 2025
- **Time:** 8:30 am- 12:30 pm (Breakfast and lunch served)
- **Location:** Home Builders Association Offices, 9033 East Easter Place Centennial, CO 80112

OBJECTIVES

- Strengthen collaboration between local government and homebuilders.
- Identify actionable solutions for workforce and starter-home challenges.
- Align regional priorities to support balanced, attainable housing growth.
- Build trust and ongoing relationships across sectors.
